

X WORKERS' RECREATIONAL SPORTS GAMES 2019.

Announcement.

The Central of Cuban Workers and National Trade Unions -in coordination with the National Institute of Sports, Physical Education and Recreation-call to participate in X Recreational Sports Games of Workers; to be held in all municipalities and provinces in the different disciplines with the following objective: Achieve a greater incorporation of workers to systematic practice of physical, sports and recreational activities; as a way to improve the quality of life and, as a result, increase the production and work productivity. They are summoned in the following disciplines: Chess (M-F), Baseball (M), Softball (M), Athletics (M-F), Indoor Football (M-F), and Recreational Basketball (M-F).

The games will take place in the base and municipalities from September to December 2019; provincial stage from January to February 2020; zonal and national from February to June 2020; and national final from September to October, 2020.

Note: The eastern zone must plan its final provincial competitions, taking into account the programming of the eastern national and zonal competitions, which are the first to begin.

General indications.

The Workers' Sports Games will be an expression of the best values that characterize our workers; therefore, in all competitions, those values will be present, in addition to enthusiasm and color, solidarity, modesty, discipline and honesty; as fundamental attributes of our revolutionary principles.
